

12 KW/20 KWH Energy Storage System			
Item	Model specifications	Quantity	Remark
PV module	620w, N type, detailed parameter, please see product data sheet. it can be adjustable according to the actual project	20 pcs	15 years product warranty , 30 year performance warranty
Hybrid Inverter	12kw, detailed parameter, please see product datasheet	1 pc	5 years warranty
Lithium Battery Pack	51.2V, 200AH, 10.24KWH, detailed parameter, please see product data sheet	2 pc	5 years warranty
DC Cable	PV1-F 1×4mm²(+&-)	80 m (Adjustable)	2 years warranty
AC Cable	YJV-0.6/1kV 3×16mm²	20 m (Adjustable)	2 years warranty
MC4 Connector	Rated voltage: 1500VDC	6 pcs	5 years warranty
Bracket System	Design according to the project site	1 set	10 years warranty
Tool bag	5 kinds of PV installation tool	1 bag	Free provide
Other Devices	According to the needs of the actual project situation		

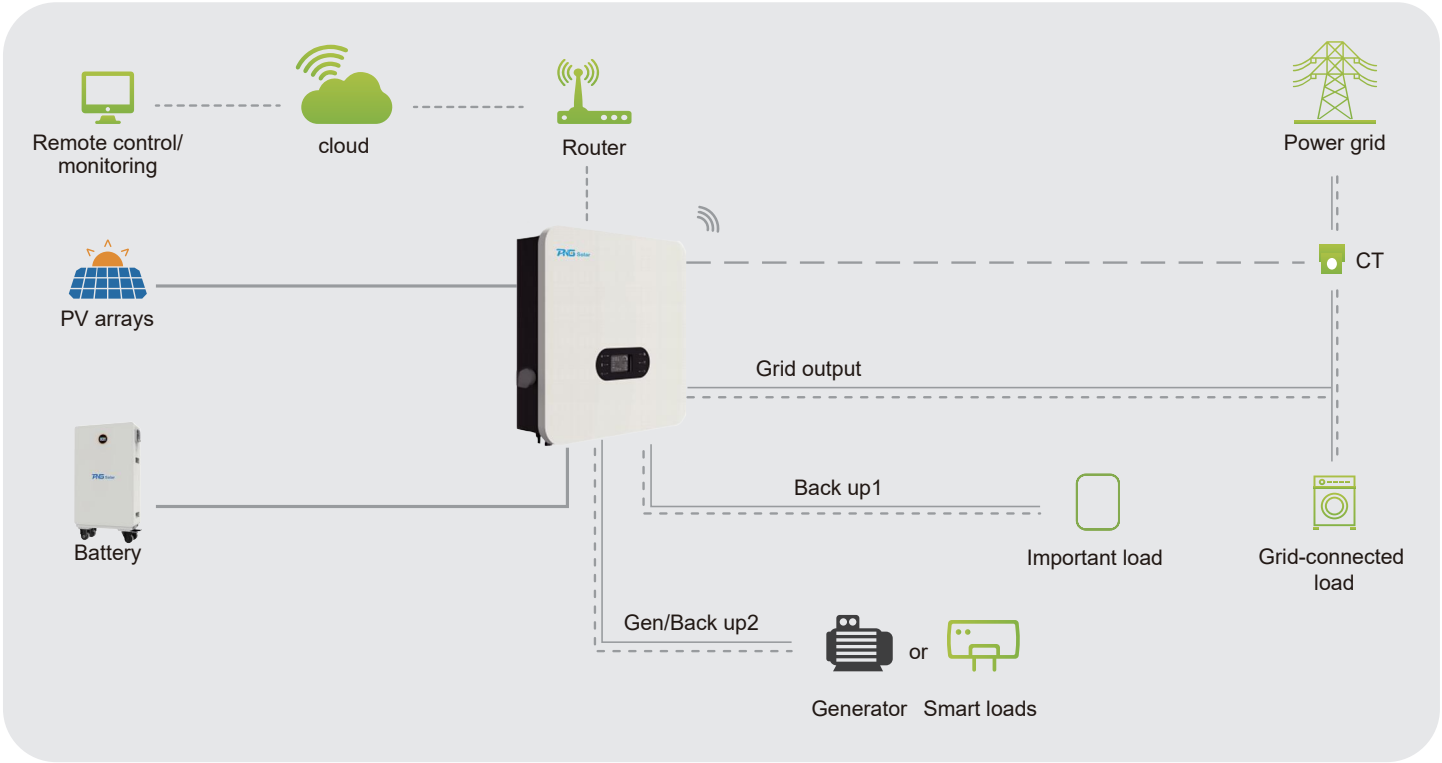

Smart Energy Solutions:

10 KW/20 KWH Energy Storage System			
Item	Model specifications	Quantity	Remark
PV module	620w, N type, detailed parameter, please see product data sheet. it can be adjustable according to the actual project	18 pcs	15 years product warranty , 30 year performance warranty
Hybrid Inverter	10kw, detailed parameter, please see product datasheet	1 pc	5 years warranty
Lithium Battery Pack	51.2V, 200AH, 10.24KWH, detailed parameter, please see product data sheet	2 pc	5 years warranty
DC Cable	PV1-F 1×4mm²(+&-)	80 m (Adjustable)	2 years warranty
AC Cable	YJV-0.6/1kV 3×16mm²	20 m (Adjustable)	2 years warranty
MC4 Connector	Rated voltage: 1500VDC	6 pcs	5 years warranty
Bracket System	Design according to the project site	1 set	10 years warranty
Tool bag	5 kinds of PV installation tool	1 bag	Free provide
Other Devices	According to the needs of the actual project situation		

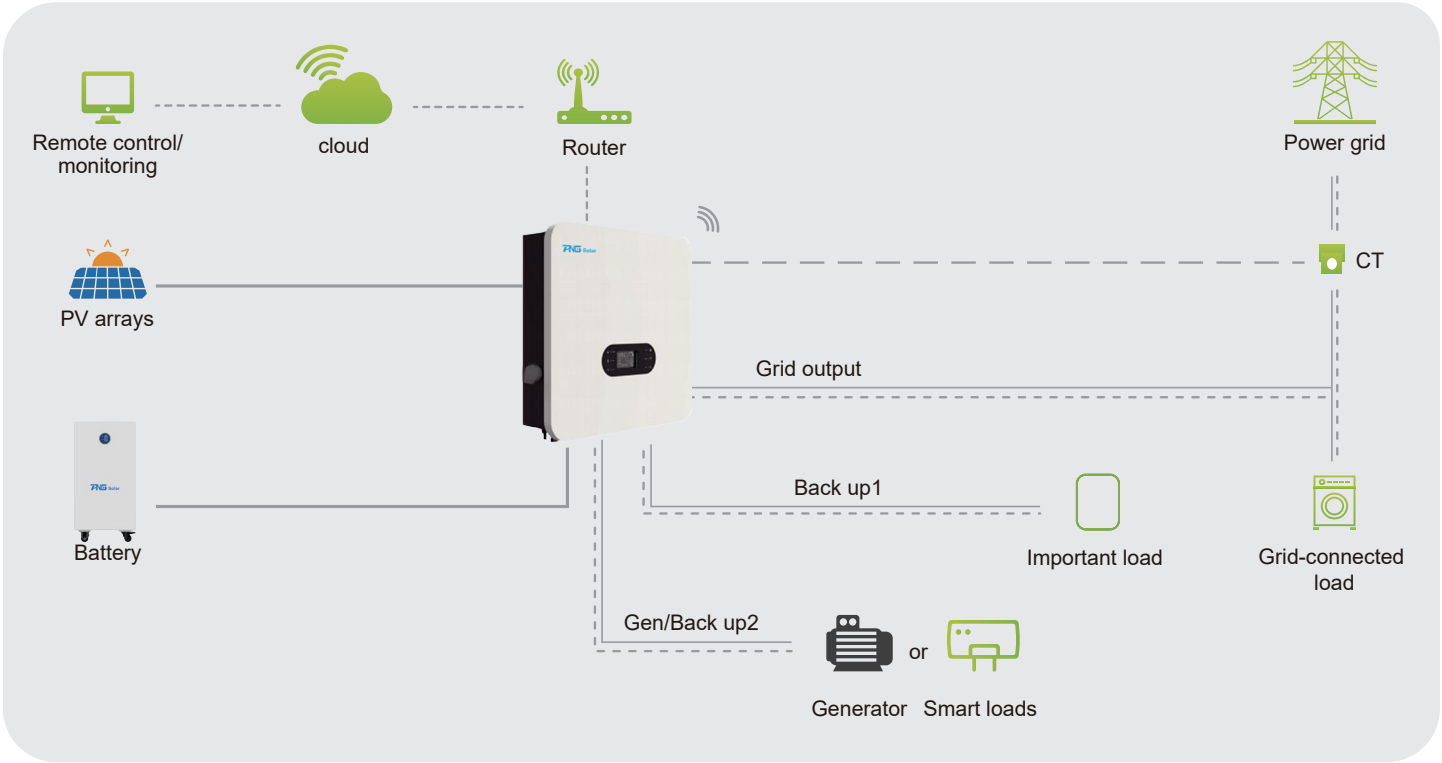

Smart Energy Solutions:

8 KW/16 KWH Energy Storage System			
Item	Model specifications	Quantity	Remark
PV module	620w, N type, detailed parameter, please see product data sheet. it can be adjustable according to the actual project	14 pcs	15 years product warranty , 30 year performance warranty
Hybrid Inverter	8kw, detailed parameter, please see product datasheet	1 pc	5 years warranty
Lithium Battery Pack	51.2V, 314AH, 16.076KWH, detailed parameter, please see product data sheet	1 pc	5 years warranty
DC Cable	PV1-F 1×4mm²(+&-)	60 m (Adjustable)	2 years warranty
AC Cable	YJV-0.6/1kV 3×10mm²	20 m (Adjustable)	2 years warranty
MC4 Connector	Rated voltage: 1500VDC	4 pcs	5 years warranty
Bracket System	Design according to the project site	1 set	10 years warranty
Tool bag	5 kinds of PV installation tool	1 bag	Free provide
Other Devices	According to the needs of the actual project situation		

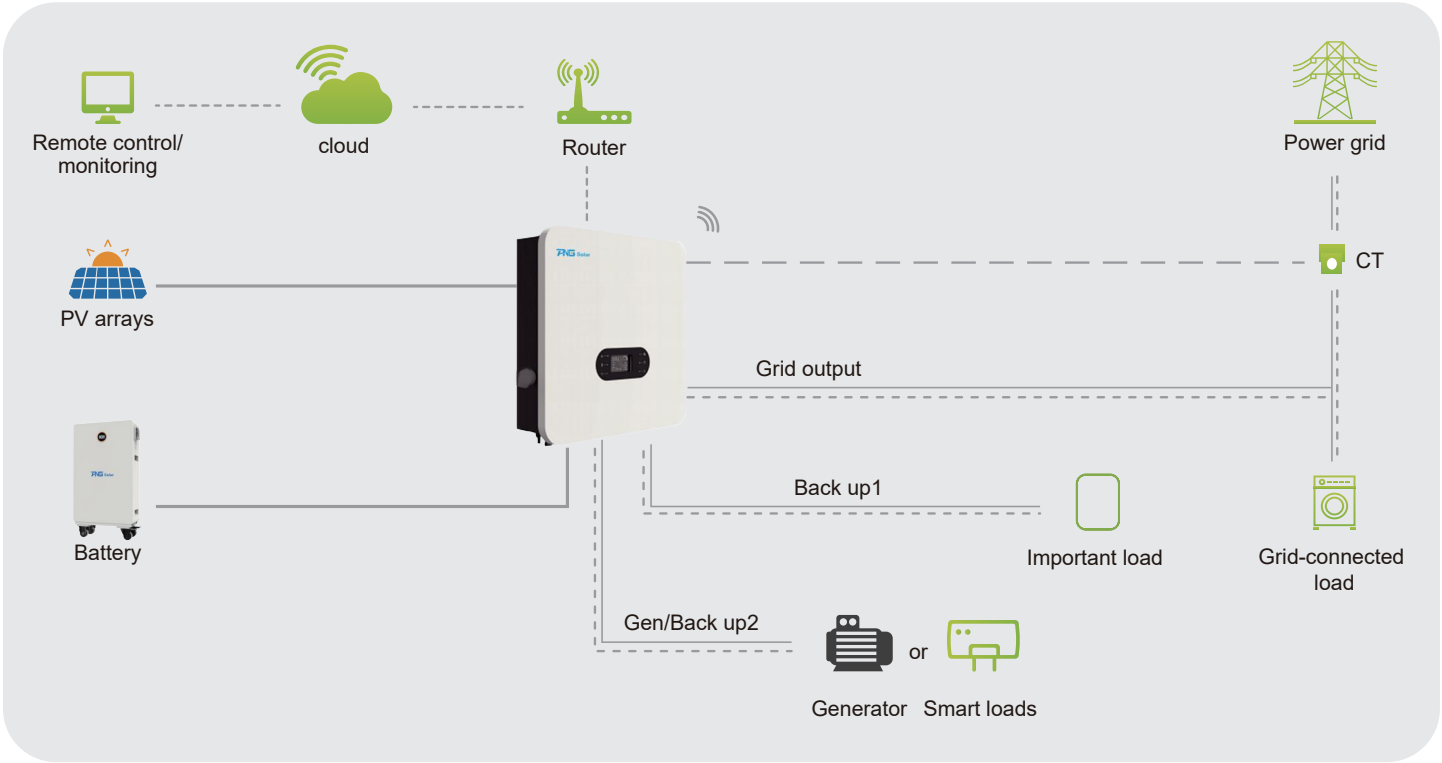

Smart Energy Solutions:

5 KW/10 KWH Energy Storage System			
Item	Model specifications	Quantity	Remark
PV module	620w, N type, detailed parameter, please see product datasheet. it canbe adjustable according to the actuall project	10 pcs	15 years product warranty , 30 year performance warranty
Hybrid Inverter	5kw, detailed parameter, please see product datasheet	1 pc	5 years warranty
Lithium Battery Pack	51.2V, 200AH, 10.24KWH, detailed parameter, please see product data sheet	1 pc	5 years warranty
DC Cable	PV1-F 1×4mm ² (+&-)	60 m (Adjustable)	2 years warranty
AC Cable	YJV-0.6/1kV 3×6mm ²	20 m (Adjustable)	2 years warranty
MC4 Connector	Rated voltage: 1500VDC	4 pcs	5 years warranty
Bracket System	Design according to the project site	1 set	10 years warranty
Tool bag	5 kinds of PV installation tool	1 bag	Free provide
Other Devices	According to the needs of the actual project situation		

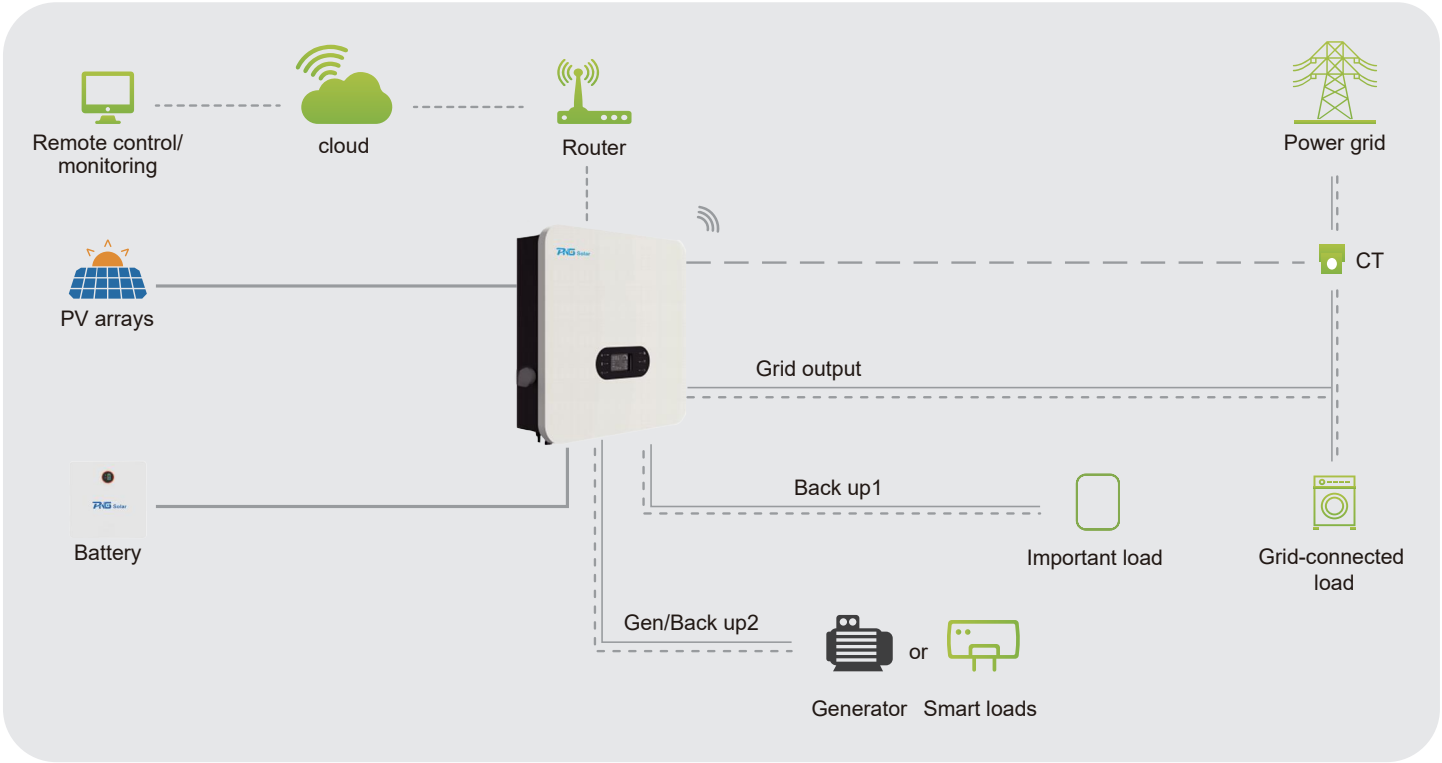

Smart Energy Solutions:

3 KW/5 KWH Energy Storage System			
Item	Model specifications	Quantity	Remark
PV module	620w, N type, detailed parameter, please see product data sheet. it can be adjustable according to the actual project	6 pcs	15 years product warranty , 30 year performance warranty
Hybrid Inverter	3kw, detailed parameter, please see product datasheet	1 pc	5 years warranty
Lithium Battery Pack	51.2V, 100AH, 5.12KWH, detailed parameter, please see product data sheet	1 pc	5 years warranty
DC Cable	PV1-F 1×4mm ² (+&-)	50 m (Adjustable)	2 years warranty
AC Cable	YJV-0.6/1kV 3×6mm ²	20 m (Adjustable)	2 years warranty
MC4 Connector	Rated voltage: 1500VDC	2 pcs	5 years warranty
Bracket System	Design according to the project site	1 set	10 years warranty
Tool bag	5 kinds of PV installation tool	1 bag	Free provide
Other Devices	According to the needs of the actual project situation		

Smart Energy Solutions:

1.6 KW/2.56 KWH Energy Storage System			
Item	Model specifications	Quantity	Remark
PV module	600w, N type, detailed parameter, please see product data sheet. it can be adjustable according to the actual project	3 pcs	15 years product warranty , 30 year performance warranty
Hybrid nverter	1.6kw, off-grid, detailed parameter, please see product datasheet	1 pc	5 years warranty
Lithium Battery Pack	12.8V, 200AH, 2.56KWH, detailed parameter, please see product data sheet	1 pc	5 years warranty
DC Cable	PV1-F 1×4mm ² (+&-)	40 m (Adjustable)	2 years warranty
AC Cable	YJV-0.6/1kV 3×4mm ²	20 m (Adjustable)	2 years warranty
MC4 Connector	Rated voltage: 1500VDC	2 pcs	5 years warranty
Bracket System	Design according to the project site	1 set	10 years warranty
Tool bag	5 kinds of PV installation tool	1 bag	Free provide
Other Devices	According to the needs of the actual project situation
